Mariagiovanna vive a Caserta, una città molto bella dell' Italia. San Prisco è una piccola città dove vive Mariagiovanna.

Mariagiovanna descrive la sua casa come noiosa, ma è molto affascinante per me.

Angelina lives in Ogden, Utah. Very windy, very mountainous, very beautiful. She loves her hometown because there is so much nature around her with the rocky mountains in her backyard. she has all four seasons, sports like fishing, hunting, hiking, rock climbing, trail running, snow shoeing, snowmobiling, skiing, etc. There is so much to do in her hometown and she felt very safe there with the hills and mountains protecting them from the harsh weather.

A close-up photograph of three pulled pork sandwiches on soft, golden-brown buns. The sandwiches are filled with tender, shredded pork coated in a rich, dark red barbecue sauce. They are arranged on a dark, textured surface, possibly a slate board. In the upper right corner, a small white bowl contains more of the same barbecue sauce. A semi-transparent pink rectangular box with a thin blue border is centered over the middle sandwich, containing the text "Our Favorite Places".
