

AGREEMENT BETWEEN ISTITUTO UNIVERSITARIO ORIENTALE AND SOGANG UNIVERSITY

In order to increase the international dimensions of the educational efforts of Istituto Universitario Orientale and Sogang University, and with a view to improve the quality of education provided by each institution, and to render the efforts of each institution more effective in attaining these objectives, Istituto Universitario Orientale and Sogang University will endeavor to reduce the following forms of cooperation to practice in so far as each institution is able to do so:

1. The two institutions will accept qualified undergraduate students for academic studies in the proper departments for one or two semesters.
2. The credits earned at the host university will be accepted by the parent university. Prior approval for each student's program will be required.
3. Exchange students will pay tuition to their parent university; their travel, living and other expenses will be their own responsibility. The host university, however, will assist them in locating reasonable living quarters.
4. Each institution will facilitate the exchange of visiting professors and research scholars of the other. This will include library privileges as well as office space if at all possible. Each institution will assist the visiting professors or research scholars in locating housing facilities.
5. In the case of exchange professors, the parent institution will pay their salaries. They will be expected to teach not more than two courses in the host institution.
6. Each institution will seek cooperative research projects, and the exchange of research findings produced either cooperatively or by one institution or the other.
7. The President of Istituto Universitario Orientale and the President of Sogang University are responsible of the implementation of this agreement.
