

**MEMORANDUM OF UNDERSTANDING**  
**between the**  
**University of Naples L'Orientale**  
**and PGDAV College, University of Delhi, India**

In order to expand the beneficial cooperation of both institutions to foster education and research, the University of Naples L'Orientale, represented by Rector Roberto Tottoli, and PGDAV College, University of Delhi, India, represented by the Principal, Prof. Krishna Sharma, hereinafter collectively referred to as "Parties", hereby sign the following Memorandum of Understanding.

The Parties determine and regulate with this Agreement the areas and matters of mutual cooperation as well as the forms and manners of its implementation.

**Possible forms of cooperation include:**

1. Academic mobility of Postgraduate and undergraduate students among the two institutions.
2. Academic mobility of faculty members for research, lectures and professional upgradation among the two institutions.
3. Establishment of joint research teams among the two institutions.
4. Co-organization and participation in seminars and conferences among the two institutions.
5. Exchange of academic materials and academic publications and information between the two institutions.
6. Joint doctoral, research training programmes and co-advising of PhD students by the faculty members of both institutions.
7. Joint scientific and educational events, especially summer and winter schools, for the faculty members and the students.
8. Joint expeditions and field studies of students and researchers of both the institutions in Italy and India.
9. All other relevant activities of mutual interest.

This Memorandum will form the framework within which the collaboration will take place. Whenever necessary, a specific agreement may be drawn up and annexed to this Memorandum in the form of an Addendum.

This Memorandum does not impose or imply financial commitments of any sort involved on either party.

This Memorandum is valid for five (5) years from the date of signing. It may be renewed to a new memorandum by mutual agreement of the parties, or an agreement of cooperation can be signed. Detailed collaboration agreements are expected to be formed within the period of this MoU.
