- 1) Compiti del RUP in particolare per la fase di affidamento
- 2) Progetto Esecutivo
- 3) Cosa è un sistema operativo e a cosa serve?
- 4) All qualifications issued by foreign institutions must be accompanied by a legal translation into Italian: translations are the candidates' responsibility; they may request them from the local Court (Tribunale) or from official translators. Translations carried out by local translators must be validated by the competent Italian diplomatic authorities. Documents handed together with qualifications (such as syllabuses of examinations) can be without translation for the following languages: English, French, Spanish and German.
