INSURANCE

International students must provide for their insurance (health insurance) by themselves.

L'Università di Napoli L'Orientale will provide international exchange incoming students with an accident insurance policy which covers them in each University building.

MEDICAL ASSISTANCE

Non-EU citizens are required to take out a health insurance during their stay in Italy either by taking out a private insurance with an Italian or foreign insurance company, valid in Italy; or by subscribing to the Italian National Health Service.

Upon arrival, it is possible to subscribe to the Italian National Health Service (Servizio Sanitario Nazionale - S.S.N.).

At present the price for students is € 700,00 a year; the payment is valid for a calendar year, that is, until the 31st of December of the year when the payment has been made.

In order to subscribe, students have to pay € 700,00 at any post office, by filling in the F24 form (MODELLO F24). After submitting residence permit application, students have to go to the A.S.L. office in the area where they live (A.S.L. are the local administrative and operative facilities of the National Health Service) and apply for the subscription, bringing along: passport, residence permit receipt, the paying-in slip receipt for MODELLO F24.

The public coverage provided by the National Health Service (Servizio Sanitario Nazionale) provides full health assistance - including the possibility to choose a family doctor. In the Italian health system, the family doctor gives general or 1st level health assistance, i.e., health care outside the hospital, hence including medical treatment in case of ordinary diseases or no-emergency health problems, and prescribes medicines and tests.

TRANSCRIPT OF RECORDS

The Transcript of Record (ToR) will be uploaded on the student's personal page as soon as the administrative office receives the exam grades.

Then students will be able to download it from the section "Certificati" under the name: "Certificato di iscrizione con esami, voti e data – in inglese".
